Releasing	86
Shipping Components	88
Starting	91
Posting a Job in Shop Floor Control.....	96
Posting a Job Manually.....	101
Reporting as Finished	104
Ending.....	106
Summary	113

This training is intended for professionals who are involved in the implementation and support of the Production module at a customer site, as well as for those who need to advise customers, or make modifications within the area. The paper offers an overview of the principles used within the Production module of Microsoft Dynamics® AX 2009.
